On Barbados, only one thing can grow as fast as sugar cane. Your plant.

If you're looking for a perfect plant site, you need look no further than Barbados.

Let's start with the simple things like the weather. Our climate is almost perfect all year round. Sunshine, blue skies, and the cooling trade winds.

Our people are warm and friendly, with a literacy rate of 98%. And by the way, English is our mother tongue. Our island is one of the most beautiful in the Caribbean. With every sport on land and sea imaginable. These things all serve to help industry.

But now let's get down to business.

There are eight fully-serviced and fully-equipped industrial parks on Barbados, not to mention an international airport served by nine of the world's largest airlines, and a deep-water harbour in Bridgetown.

Our communication systems are the finest in the Caribbean (both internal and external) and include worldwide cable and wireless connections.

And as added incentive, you pay no corporate income or trade tax for a long ten years. Plus no duties on the machinery or raw materials you need to produce your product for export.

Things do grow very fast on Barbados, especially industry.

A NUMBER OF HIGHLY SUCCESSFUL COMPANIES ARE OPENING PLANTS IN BARBADOS. HERE ARE EIGHT OF THE MORE OBVIOUS REASONS WHY.

There's 98% literacy.

That means easy-to-train and highly-productive labor. And English is their mother tongue.

The climate's ideal.

Sunshine and blue skies and the freshest air in the Caribbean thanks to cooling trade winds. The water's the purest, too.

The people are friendly.

That's another thing that makes the climate ideal. It's nice operating a plant on an island where the atmosphere is congenial.

You pay no duties.

No duties for the machinery or raw materials you need to produce your products for export.

You get a big tax holiday.

No corporate income or trade tax for a long ten years. And after that, it's a painless maximum of only 12½%.

It's all there for you.

Eight fully-equipped and fully-serviced industrial parks. An international airport where 9 of the world's biggest airlines land their jets. A deep water harbour in Bridgetown, too.

You don't have communications hang-ups.

Barbados has one of the best internal and external telephone communications system in the Caribbean. Plus world-wide cable and wireless connections.

There are plenty of added attractions.

The island's beautiful; there's every water sport, lots of golf, and most of the other land sports, plenty of entertainment, the best rum in the world. Make no mistake that all helps industry, too.

It sounds interesting. So tell me more. Please send me your free booklet, "Investing in Barbados."
